Medical Laboratory Science Program
Medical Laboratory Scientists

> **Skills:**
  – Integrate science, medicine, and technology

> **Daily Role:**
  – Help clinicians diagnose and treat disease

> **Career:**
  – Rewarding
  – Flexible
  – Team-oriented
  – Intellectually stimulating
What will my degree be worth?

UW Medicine System

**MLS Trainee:** $80,088-$104,748 per year.

There are 4 criteria Trainees need to meet to move to MLS and then you get promoted to...

**MLS 1:** $88,488-$109,032 per year

*Currently UW Med offering $3,000-$5,000 new hire bonuses*
Where do UW MLS graduates work?

Class of 2023: 24 of 27 employed w/in 3 months of graduation (still counting…)

Biotech Co - 1
Harborview Medical Center, Seattle – 3
MLS, unknown location - 1
Multicare, Tacoma General – 1
OHSU, Portland - 1
Quest Diagnostics - 1
Seattle Children’s Hospital – 3
Swedish Medical Center (BWNW), Seattle – 2
UW Medical Center – Montlake – 9
UW Medical Center – Northwest – 1
Virginia Mason Medical Center – 1
MLS Disciplines

> Chemistry
> Hematology/Coagulation
> Microbiology
> Transfusion Medicine

> Immunology
> Urinalysis
> Molecular/Genetics
> Laboratory Operations
Bachelor of Science (B.S.) Program

> 2+2 Program
  - First two years:
    > Pre-Professional Phase
      - 90 quarter credits of prerequisite and general education coursework
    +
  - Final two years:
    > Professional Phase (7 consecutive quarters)
      - Didactic Year (4 quarters) and Clinical Internship Year (3 quarters)

= 4-year B.S. degree
Pre-Professional Prerequisites

General Biology (BIOL 180, 200, 220)

Human Biology (BIOL 118): starting application cycle 2025, this course will no longer be required. It’s still required in 2024.

General Chemistry (CHEM 142, 152, 162)

Organic Chemistry (CHEM 237 or 223): 1 quarter/lab NOT required

Statistics (any 5-credit quarter/3-credit semester course)

General Education Coursework* (req’d for graduation):
  – Composition
  – 7 additional Writing (W) credits
  – 10 Arts & Humanities, 10 Social Sciences, and 3 Diversity credits

Note: Take entire series at the same educational institution.

*General Education requirements DO NOT apply to Post-bacs.
Application Process

> **Apply online by February 15**

> **Components:**

  - Completed application form(s):
    > Postbaccalaureate and Transfer Students (includes UW-Tacoma/Bothell) must **apply to UW-Seattle** AND the MLS Program in two separate online applications.
  - Personal Statement (fit, experience, goals, etc.)
  - Unofficial Transcripts from ALL colleges/universities attended (including UW students). Official transcripts are required upon admission to the major.
  - One **Recommendation Form**
  - 30-minute Interview* – typically in April

*(not all applicants receive an interview, but all admitted applicants will)

Note: All applicants must have completed a minimum of 90 quarter credits. Applicants must also have a minimum 2.0 cumulative AND science GPA.
Frequently Asked Questions

> What’s the average GPA of people who get in?
  > Students Admitted in 2023:
    > Admitted Cum. GPA: 3.62
      > Range: 2.81-3.98
    > Admitted Science. GPA: 3.46
      > Range: 2.81-4.00

> When do I have to complete my prerequisites?
  > Must be completed before entering the program, but can be in-progress during the application process.

> How many people apply each year?

MLS Program – Didactic (First Year)

**Autumn Quarter:**
- BIOC 405
- LABM 301/302
- IMMUN 441
- Biochemistry
- Intro. to MLS
- Immunology

**Winter Quarter:**
- LABM 430
- LABM 435
- MICROM 442
- MICROM 443
- Hematology
- Molecular Diagnostics
- Bacteriology
- Bacteriology Lab

**Spring Quarter:**
- LABM 418
- MICROM 460/461
- MICROM 445
- Clinical Chemistry
- Mycology & Parasitology
- Virology

**Summer Quarter:**
- LABM 419
- LABM 420
- LABM 421
- Coagulation
- Urinalysis
- Medical Microbiology
MLS Program – Internship (Final Year)

First 6 weeks of Autumn Quarter:
LABM 426 – Immunohematology. Last didactic (lecture/lab) course
LABM 427 – Senior Seminar. The only non-science course in the program. Focus is career development.

Autumn, Winter & Spring Clinical Rotations:
LABM 423 – Clinical Chemistry Rotation (5 weeks)
LABM 424 – Clinical Microbiology Rotation (5 weeks)
LABM 425 – Clinical Hematology Rotation (5 weeks)
LABM 431 – Transfusion Medicine Rotation (5 weeks)
LABM 433 – Research Rotation
LABM 436 – Molecular Diagnostics Rotation

Notes:
1. We assign clinical rotations, which can take place all over the Puget Sound.
2. Some clinical rotation sites may require drug testing.
Tuition, Fees & Logistics

> MLSP is 7 quarters in length (mandatory summer quarter between first and second year).

> Full-time WA state resident students (2023-24) = $4,215 per quarter current UW undergrads, transfers and Postbacs

> Full-time non-resident students (2023-24) = $13,999 per quarter current UW undergrads, transfers and Postbacs

  – UW determines resident and non-resident tuition, not the MLSP.

> Additional tuition information available here.

> No lab fees for the LABM Classes, but possibly for the MICROM classes.
Congratulations Class of 2023!
