

LABORATORY MEDICINE GRAND ROUNDS

Winter Quarter 2025 - Wednesdays, 3:30-4:30 PM – HSB D-209 Turner Auditorium

Zoom URL: <https://washington.zoom.us/j/96677954374>

Sign-In Online: <https://tinyurl.com/signin-gr>

January 8, 2025 No Grand Rounds scheduled

January 15, 2025

New Tools to Decrease Diagnostic Dilemmas in Cutaneous T cell Lymphoma

Gregory S. Olson, MD, PhD

Resident, PGY2
Department of Laboratory Medicine & Pathology
University of Washington

January 22, 2025 No Grand Rounds scheduled

January 29, 2025

Combined DLMP Grand Rounds: Preparing for a Pathologists' Assistant Training Program at DLMP

Stephanie Frazon, MS, PA(ASCP), SSBB

Assistant Teaching Professor
Director, Pathologists' Assistant Program
Department of Laboratory Medicine & Pathology
University of Washington

February 5, 2025

Optimizing Hepatitis C Testing

Emily W. Helm, MD, PhD

Resident, PGY1
Department of Laboratory Medicine & Pathology
University of Washington

February 12, 2025

Clinical Natural Language Processing for Secondary Use Applications

Meliha Yetisgen, PhD

Professor
Dept. of Biomedical Informatics and Medical Education
University of Washington

February 19, 2025

Information Flow in Laboratory Stewardship

Khalda Ibrahim, MD

Assistant Clinical Professor
Pathology and Laboratory Medicine
University of California, Los Angeles, School of Medicine
Physician Informaticist, UCLA Health Information Technology

February 26, 2025

Three 15-20 minute presentations:

Bloodbanking/Transfusion Medicine Fellows:

Finding Rare Blood - Linda Lee, MD
Unveiling Kell Null with Molecular Diagnostic Techniques - Thomas Ma, MD
HLA Alloimmunization in Sickle Cell Disease - Meghana Vivek, MD

March 5, 2025

The Clinical Pathology Laboratory in 360° Virtual Reality

Hamilton Tsang, MD

Associate Medical Director Transfusion Medicine & Associate Professor
Transfusion Medicine
Department of Laboratory Medicine & Pathology

March 12, 2025

Unlocking Metagenomics for Infectious Disease Diagnosis: Platforms, Evidence, and Stewardship

Drew Bell, PhD

Assistant Professor, Microbiology
Director of Microbiology, Seattle Children's Hospital
Department of Laboratory Medicine & Pathology
University of Washington

CME Course Objectives: upon completion of this program, attendees should be able to:

- List several trends and developments in laboratory testing for the diagnosis, prognosis, and monitoring of disease.
- List several trends and developments regarding improving the quality of clinical laboratory services.
- Apply current concepts in laboratory testing to the diagnosis, prognosis, and monitoring of disease.
- Describe current research in the practice of medicine and how this research might impact the future practice of laboratory testing.

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this live activity for a maximum of 30 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. (Each session is one credit.)

Sign-in is required to receive CME credit.
